

## Angle series

Designed by Says Who, Denmark

---

The Angle modular sofa - curved features soft, flowing forms that add warmth and comfort to any space. Its organic design blends smooth, rounded edges with bold angular elements, creating a harmonious balance between beauty and structure. The modular pieces can be combined in various configurations, making it perfect for both small, cosy corners and larger commercial spaces. With removable covers for easy customisation and maintenance, this FSC™- certified design effortlessly adapts to any setting while offering timeless appeal and enduring comfort.

### Meet the designer

We are Nikolaj and Kasper. We are Says Who Design. We like to tell stories through our products. Stories that add character and relevance to the user experience. We love simple, clever yet masculine design. Rawness expressed through refined details. We always strive to add personality to the product. An edge or feature that defines its use, style or statement. Good design is useful, characteristic and tells a story. It leaves a lasting impression that enriches our lives in ways we never thought of before. When design is at its best, it enriches our everyday lives and experiences.
