

Palo series

Timeless design meets solid wood craftsmanship. That's the story behind the Palo dining table series made from solid, FSC®-certified oak with refined details. Available in both fixed and extension styles, the tabletop showcases elegantly arranged planks that harmonise beautifully with a range of interiors. The soft, continuous curves of the legs and edges add a touch of refinement, while the durable construction ensures longevity. Perfect for any dining experience, whether it's a small, relaxed gathering with friends or a larger family dinner.
