

## Orb series

Designed by 365° North, Denmark

---

Like beads on a string. Perfectly rounded glass balls create a reflective, shining light in any room. The Orb pendant's light creates an exclusive atmosphere, and has a clean, pared-back effect as well as being refreshingly casual. The combination of brass and glass adds an industrial edge to your home.

### Meet the designer

To me, design has to make sense. Shape, colour and choice of materials have to add up and make sense to each and every single design. Good design is functional, beautiful and easy to understand.
