

Pica series

Designed by Joa Herrenknecht, Germany

The Pica Outdoor table lamp was designed by Joa Herrenknecht and instantly creates a tranquil atmosphere. The elegant lamp has a metal base with an elegant top in matte, white opal glass, which gives the lamp a light and pleasant glow. Pica Outdoor comes with built-in LED and dimmer and can provide up to 6 hours of light when fully charged.

Meet the designer

My design studio is based in Berlin, which is from where my quirky mind comes up with new designs. Materials and colours are what makes crazy and happy, that is what inspires me to go forward. I have an easygoing approach to the design process, which to me, shall always be liberal and fun – that is very inspiring in itself.
