Product description:

A compact padded lounge chair with a distinctive wooden side panel and upholstered seat and back that combines pure, durable raw materials and soft ergonomic shapes. The chair is intended as a versatile piece of furniture that provides generous comfort despite its minimal footprint. The textile has detailed visible stitching on both the back and front of the seat. Block Lounge Chair is perfect for small spaces as well as large open settings. The upholstered seat and back comes in Hallindal, Zero and Grain fabric. Can be finished in a COM version (customer's own material).

Designer's thoughts:

'We wanted to make a small, compact chair with a distinctive expression. The sturdy rear legs play an important role for the chair's expression, construction and dimensions. During the development phase, we had an intensive focus on integrating as much comfort as possible into a relatively small chair.'
