

# Rico Modular Sofa

The Rico Sofa is available as a modular system, offering the freedom to create a layout that suits your space. Combine modules to form a corner sofa, an extended seat or a standalone piece. Each element retains the signature curvy silhouette of the Rico Series, while the deeper seat provides added comfort and a more generous feel. Crafted with an FSC™ Mix-certified wooden structure, the modular design offers versatility for both private homes and larger public interiors such as hotel lobbies or lounge areas.

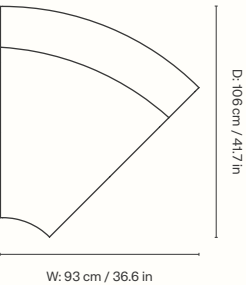

This item is part of our Made to Order customisation concept. The upholstery for this item can be selected from a range of high-quality fabrics in different colours and patterns to create your custom piece of furniture.
